*i.e., 2012–13 crosswalk file should have the same data in this field as was in the 2011–12 file.

The data in the following fields should be mapped based on the Database Column Names; for most of these fields only the field numbers have changed. Those fields in the 2011-12 APR that have been dropped from the 2012-13 APR have “NA” in the 2012-13 columns. The last column entitled “Data Crosswalk for 2012-13” provides specific instructions. Where fields are left blank for certain participants in the crosswalk file, the grantee must provide appropriate responses in the 2012-13 APR submission.
